Development through drama! The difference is dramatic!
As the largest Drama Academy in South Africa, we promote **confidence, communication skills, presentation skills and creativity** in children aged 5 – 18 years (Grade R - 12)!

We achieve this by focussing on speech; basic movement and mime; creative improvisation; and dialogue development – everything your child needs to learn to be confident and communicate effectively while having fun!

Tailor-made programs also available for pre-primary, primary and high schools.
