Milnerton Pre-Primary School provides quality education whilst nurturing the whole child in a safe environment where learning happens through play. Our Language of Learning and Teaching (LOLT) is English. MPPS has excellent indoor and outdoor facilities and is well equipped. The spacious and bright classrooms have various learning areas comprising of activities such as puzzles, educational games, construction, art, numeracy, literacy, music and movement. Milnerton Pre-Primary is a registered independent ECD school offering Gr R. Our core values and principles are Christian whilst we accept many other diverse religions and cultures. At the heart of our school is the belief that children are drawn to experience, to learning and to each other.

Our vibrant and nurturing school environment is made possible by our staff school family who are committed to the preschool sector in education. All our staff are qualified within their profession and all our teaching staff are Paediatric First Aid (ECD – Childhood Emergencies) trained. Together we aim to provide every child with stimulating and creative learning experiences preparing them for formal schooling and supporting every aspect of their preschool development.

At Milnerton Pre-Primary we encourage parental involvement and believe in comprehensive communication between the school and our families, thereby building a positive relationship with mutual

respect. We do this through weekly teacher letters, our School D6 Communicator and many other publications.

Becoming a preschooler is an important milestone in your little one's life. We hope to become a memorable contribution to their precious journey!
