OUR PLAYSCHOOL

Choo Choo Park Playschool is an independent educare centre in Claremont, established in 1992. We pride ourselves on providing the children in our care with a holistic daily programme in a happy, child friendly atmosphere, where the progressive development of your child is our number one priority.

Our safe and secure environment provides a full day programme, including well-balanced meals, extra murals and holiday care under the supervision of a qualified and experienced team.

The school has been divided into four groups of care:

1. 3 months to crawling (Educare teacher & assistant)
2. Crawling phase to 21 months (Educare teacher & assistant)
3. 21 months to 3 year olds (Educare teacher & assistant)
4. 3 to 4 year olds (Educare teacher & assistant)

We offer full daycare from 07h30 to 17h30 and 3/4 daycare from 07h30 to 14h30

There are regular parent information evenings and weekend fundraisers, which establishes a sense of community that lasts into future school years.

SCHOOL PROGRAMME

The school programme is based on our philosophy of learning through play. The daily programme is diverse and nurtures physical, social, cognitive and creative growth through the daily activities and interactions.
