Fuzzy’s is a registered Early Childhood Development (ECD) centre, established in 1997. At Fuzzy’s Day Care we provide a professional full-day care service for children ages 3 months to 5 years (children with special needs, whether they are physical, emotional or educational are also catered for). As a multi-cultural, diverse Day Care we cater for, and offer your little ones the opportunity to observe and respect all religions and cultures. Our program is designed to develop a sense of independence and responsibility. We celebrate diversity and multiculturalism and strive to avoid bias in our program and to instil an attitude of respect and tolerance.

We provide a homely environment for your child whilst ensuring all of their key milestones are met. We also have a small teacher to child ratio. To ensure holistic development, as a base methodology, Fuzzy’s educators use theEmergent curriculum.For our older kids, we also follow the CAPS curriculum. Not only do we prepare them mentally for “Big” school but physically and emotionally as well.

AGE GROUPS

We cater for all children between the ages of 3 months to 5 years.
All classes follow their own stimulating daily program which encompasses all learning areas, cognitive, language, auditory and movement, body-space integration, gross and fine motor co-ordination, emotional, social and play.

OPERATING HOURS

Our operating hours are from 7h00am – 5h30pm Monday to Thursday andFridays 7h00am – 4h30pm. We encourage all children to be at school by 8h30am and no later. Thereafter we have breakfast and start our daily programmes.

SCHOOL FEES

Our fees increase between 5% and 10% at the beginning of each year. On admittance we require one

month’s fees as a deposit (this can be split over 2 months) along with the first month’s fees.Parents must give one calendar months’ notice when leaving Fuzzy’s day care and the deposit is then used for their final month at school. If a parent leaves the day care without giving notice, we retain the deposit to cover costs. School fees are payable by the 1st of every month.

SAFETY/ SECURITY OF CHILDREN

The education, welfare, safety and happiness of every child in our care is our most important responsibility. This is why all our staff are trained in first aid and CPR. The school is monitored by CCTV security cameras. We also do not photograph and post pictures of the children on any of our social media sites or website.

EXTRA CURRICULAR ACTIVITIES

We provide a selection of extra-mural activities. Soccercise Starz, Build em Brix, Catrobatkidz, Aqua Crazy swim school and Fitness Starz.Fees are paid directly to the instructors. New extra-murals are reviewed annually.

POTTY TRAINING

Potty training starts in the Snails Class and is normally completed in the Busy Bees class. We have small toilets and hand washing facilities in the school. Parents provide their own nappies, wipes and bum cream which are labelled and kept at school.

FOOD

We provide a hot breakfast at 8h30am, mid-morning fruit, home cooked nutritious lunches and afternoon snack. Any sweets or luxuries sent to school is sent back home. We have a strictly Halaal kitchen and we can cater for most dietary requirements. Parents to provide formula for babies.
