## **Development through drama! The difference is dramatic!**

As the largest Drama Academy in South Africa, we promote **confidence, communication skills, presentation skills and creativity** in children aged 3 – 18 years!

We achieve this by focussing on speech; basic movement and mime; creative improvisation; and dialogue development – everything your child needs to learn to be confident and communicate effectively while having fun!

*Tailor-made programs also available for pre-primary, primary and high schools.*
