OpiKopi Farm Parties is an outdoor party venue on the farm Sondagsfontein, 8.5 km outside Durbanville on the M58 road. Our aim is to make every child’s experience unforgettable!

We take the children back to the basics, to allow them to run around free and safe in the open space. On the obstacle course they learn how to shoot with a slingshot (Kettie), ride a soap box car (kiskar) and many more, but most of all just to be a child again.

In the summer they can take part in the slip-and-slide – farm style!!! This is every child’s dream. I strive to make every child’s party for them and their parents special. We do birthday parties and school parties. Bookings are essential.
