Pinocchio Crèche offers tailor-made learning opportunities to stimulate young, curious minds.

At Pinocchio Crèche, children are encouraged to develop and expand their appreciation and understanding of themselves, of others and of the world around them. Children learn by interacting with their environment, and we subscribe to the philosophy that children learn best through play. Therefore, we create an environment that encourages such interactions and play.

- Catering to 0 - 6 year olds
- Pre-Grade R and Grade R
- Open Monday to Friday
- Full Day: 7 am – 17:25 pm
- Half Day: 7 am – 13:00 pm

Our goal is to help each child develop to their full potential in all seven major developmental areas: mental, spiritual, cognitive, emotional, social, creative and physical. It is our aim to holistically groom a child with good social skills, a sense of self-esteem, problem-solving skills, creativity and a spiritual foundation.

School Readiness

Our school readiness program and play-based curriculum includes tools to equip parents to gradually help their children achieve self-sustained independence. Importantly, it also encourages parents to review previously achieved tasks, to help maintain their child’s proficiency. Absenteeism is strongly discouraged, as it disturbs the development of these young minds and bodies.
